Your Results

All breast images will be read by two experienced readers. You will receive your results in the post in approximately 2-4 weeks. Please contact us if they fail to arrive, as we always send a letter.

Results process discussed with client

One way system operational so that clients will be escorted to the exit which is separate to entry area

Staff member returns to x-ray room, changes PPE and cleans thoroughly

Staff member washes hands, completes paperwork and prepares for next client
